## 英語で平和記念公園を 説明してみよう Part9 !

### Fountain of Prayer

The Fountain of Prayer is the large fountain located near Peace Memorial Museum. The fountain was constructed by Hiroshima Bank in 1964 and donated to the city. It is dedicated to the victims of the atomic bombing who died crying out for water. The fountain shoots water to a height of 10 meters and is illuminated at night by 153 underwater lamps. It is considered one of the most beautiful fountains in western Japan.

Q1. Where is the Fountain of Prayer located?

Q2. When was it constructed?

Q3. Who constructed it?

Q4. Who is the fountain dedicated to?

BONUS. What other beautiful fountains have you seen?

Fountain of Prayer = 祈りの泉
